

NEW PART-TIME OPTIONS FOR CHILD CARE VOUCHERS AVAILABLE TO FAMILIES

While it is encouraged for your child to attend the child care program consistently to support children's learning and development, the Child Care and Development Fund (CCDF) is now offering applicants the option of a part-time voucher.

You are eligible for a full week of care, regardless of your schedule. Please indicate if your need for care is less than full-time.

Part-time is two (2) days per week for any age child. I have marked the days of the week I need care on the Applicant Worksheet, along with the earliest drop-off and latest pick-up times.

If a part-time voucher is requested, then the remaining days should be marked as Off-Days (OD) but must be on the same days consistently each week.
